Lecture List for Hilary Term 2012

NOTICE: Non-members of the University may not attend university lectures (unless they are announced as open to the general public) without payment of a fee, otherwise than by personal invitation of the lecturer concerned. Persons who are neither reading for a qualification of this University nor otherwise exempt, and who wish to attend lectures in any term, should apply to the Buildings and Events Manager, Examination Schools, for details of fees. At least three working days' notice is required before a lecture permit can be issued, to allow liaison with the department or faculty concerned.
