Visa Information

In order to use the visitor route to pursue a course that is longer than six months, you should be aware that you will need to **reside outside the UK, and attend for your arranged teaching blocks only**. The Home Office guidance states that you must not use the route to live in the UK for extended periods through frequent or successive visits or make the UK your main home, and that you will leave the UK at the end of each visit. A decision maker (a visa application caseworker or Border Control staff) will be looking at the pattern and duration of your time spent in the UK, and if they decide this indicates you are in effect living in the UK for your course they could refuse you a further visa or admission as a visitor.

- Students who must apply for a visitor visa before coming to the UK

If you are a visa national (see www.gov.uk/check-uk-visa) who requires a visa before coming to the UK you must include this letter with your visitor visa application before travelling to the UK. Please ensure that you choose the **visitor visa** option and do not choose the 6 or 11 month short-term student visa which is only for English language courses.

As your course is longer than 6 months this will mean that you will need to apply for more than one visa to be able to complete the course.

- Students who can be admitted as a visitor on arrival in the UK

If you are a non-visa national (see www.gov.uk/check-uk-visa), you must show this letter to a Border Control officer on arrival to get a visitor stamp in your passport.

EU, EEA, Swiss nationals (who are travelling with a biometric passport) and nationals from Australia, Canada, Japan, New Zealand, Singapore, South Korea and the USA can use the eGates on arrival in the UK to enter as a visitor. You will not receive a stamp in your passport but you should keep this letter in your hand luggage in case the eGates are not in operation, or in case there is a problem reading the chip in your passport.

Insurance

It is advisable to have adequate health and travel insurance to cover your luggage, personal possessions, money and medical costs for your journeys to the UK.
