Stockholm Centre for Commercial Law Scholarships at the Law Faculty of the University of Stockholm

To support the academic exchange between the Stockholm Centre for Commercial Law (SCCL), University of Stockholm, and the Institute of European and Comparative Law (IECL), University of Oxford, the SCCL—thanks to the generosity of its Law Firm Friends and Corporate Friends—offers a dedicated scholarship programme for Oxford researchers.

The scholarship programme is open to doctoral research students in the Faculty of Law, fixed-term or permanent College appointees in law, and members of the Law Faculty. Preference may be given to doctoral students.

The scholarship provides up to SEK 20,000 per month (approx. £1,550) to support visits of one to three months. In exceptional hardship cases, applicants may request additional support, considered on a case-by-case basis. A total of up to SEK 60,000 is available for the programme each academic year, administered by the SCCL.

Recipients will visit the University of Stockholm as guest researchers and are responsible for arranging travel, accommodation, immigration requirements, and insurance. No teaching or other formal obligations are required, and Swedish language skills are not necessary. Guests may be invited to give a presentation in English on their research, and doctoral students are encouraged to attend lectures and seminars.

Visits should normally take place **between March and June 2027**, aligning with the Swedish academic year (which runs from late August to early June). Visits in late August and September 2027 are also possible with approval from both SCCL and IECL.

For those who are interested in the SCCL Scholarship, please submit your application via this [Form](#) by **12:00 noon on Friday of Week 0, Hilary Term (15 January 2027)**. Applications should include a statement outlining your research project and explaining how a research visit to the University of Stockholm would contribute to it, as well as a curriculum vitae (and a list of publications, if applicable). For doctoral students, a letter of support from the supervisor should be provided before the award can be made.

Professor Solanke (iyiola.solanke@law.ox.ac.uk), Director of the Institute, welcomes informal enquiries.
