

How to Secure a Commercial Pupillage

South Square is a consistently Top Ranked Leading Set in the Chambers UK Bar Guide.

Its members have played leading roles in the most high-profile civil cases of the last decade, including Phones 4U, Lehman Brothers, and the Bernie Ecclestone, LIBOR, and bank charges proceedings.

South Square is delighted to invite you to a drinks reception in Chambers.

Thursday 29 October
6:30pm - 9pm

A presentation on how to secure a pupillage at a leading commercial set will be followed by an informal networking opportunity, where a number of our barristers will be on hand to answer your questions about South Square and life at the Bar.

A return coach from Oxford to Chambers will be provided.
