The Symposium is followed by the 8th Annual Sir Jeremy Lever Lecture.

The Sir Jeremy Lever Lecture is firmly established as an annual series, celebrating the career of Sir Jeremy Lever KCMG QC, a pioneer of both the practice and academic study of competition law in Europe.

This year's lecturer will be given by Carl Baudenbacher, Monckton Chambers, the Former President of the EFTA Court and Professor emeritus of the University of St Gallen. The lecture will discuss the challenges of judicial dialogue in modern era, against the background of judicial globalization, multilateral trade relations and digitization.

Further information about the lecture, including registration, is [here](#).
