DISCOUNT*

Ros Burnett, Senior Research Associate,
Centre for Criminology, University of Oxford

- The only contemporary commentary in criminological literature addressing the controversial issue of wrongful allegations of abuse and victims of untrue allegations
- Delivers expertise across various disciplines to understand the context, causes and outcomes of wrongful allegations of abuse
- Charts the approximate life-course of a false allegation, examining the extent and harm of false abuse allegations through to the role and impact of the criminal justice system when handling such cases
