

Augmented lawyering

Policy Implications

Sophia Adams Bhatti
Head of Strategy and Policy
Simmons Wavelength

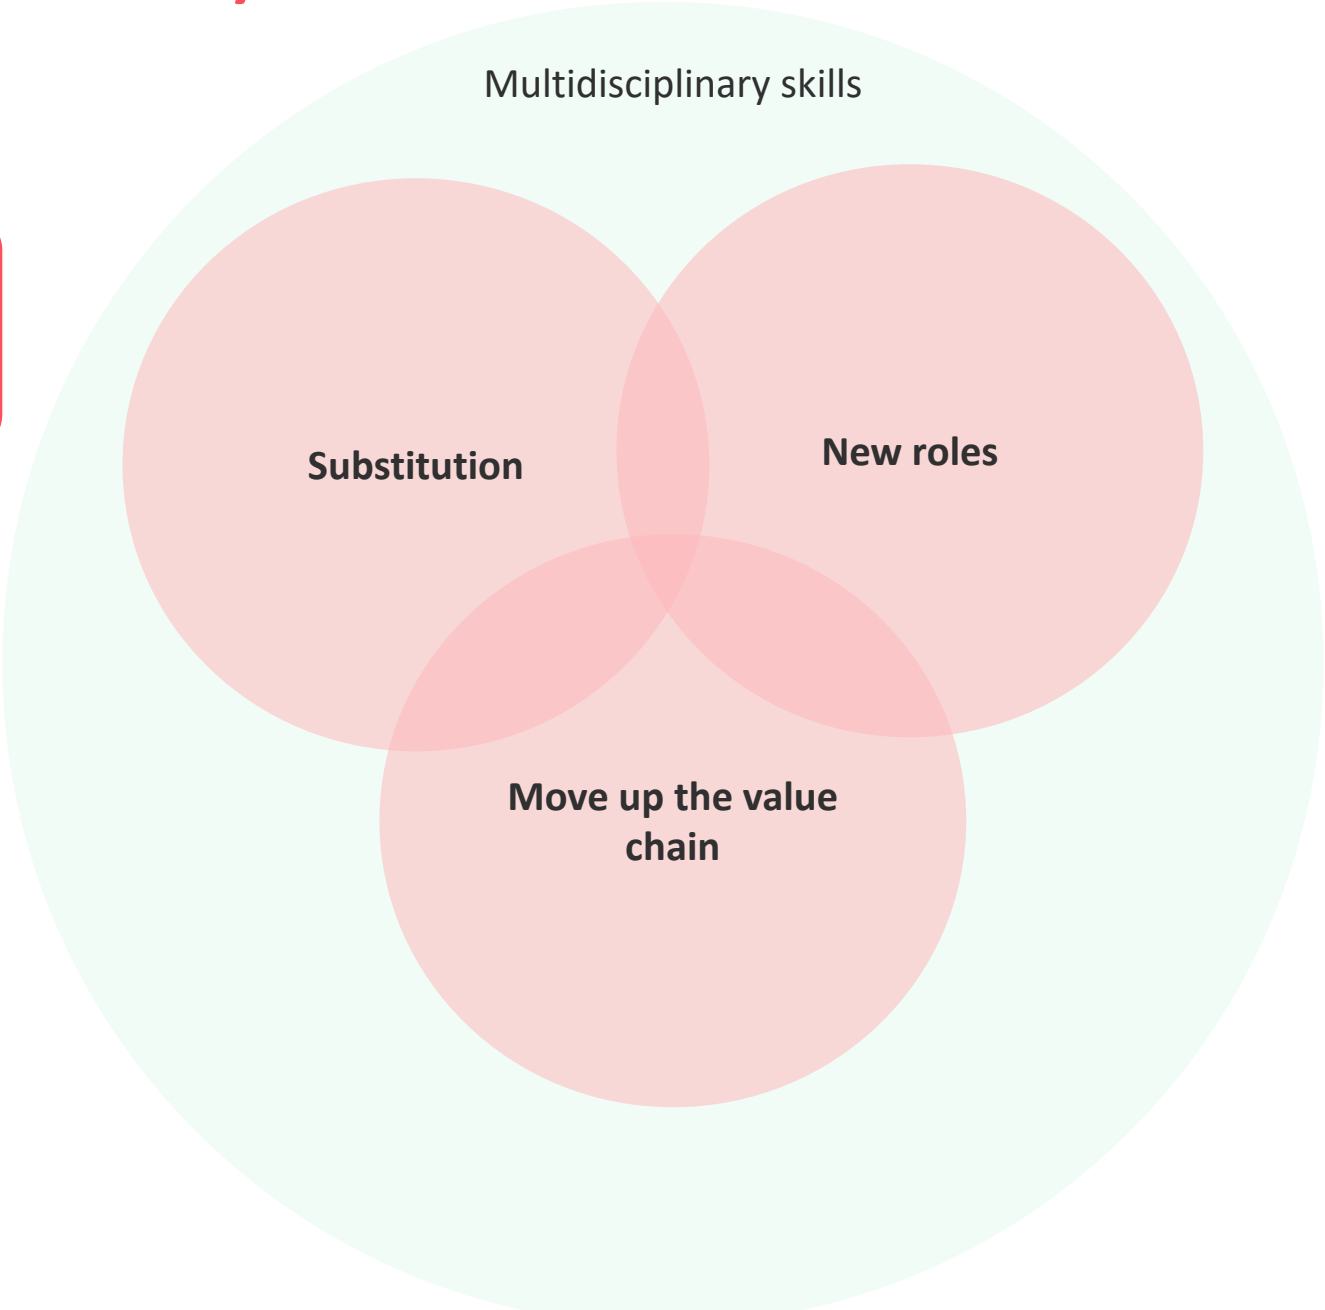

A close-up photograph of a person's hands holding a large, polished brass singing bowl. The person is also holding a wooden mallet with a dark, rounded head. The background is blurred, showing a patterned fabric. The text "What resonates SWL lens" is overlaid in white on the bowl.

What resonates
SWL lens

Impacts on lawyers work

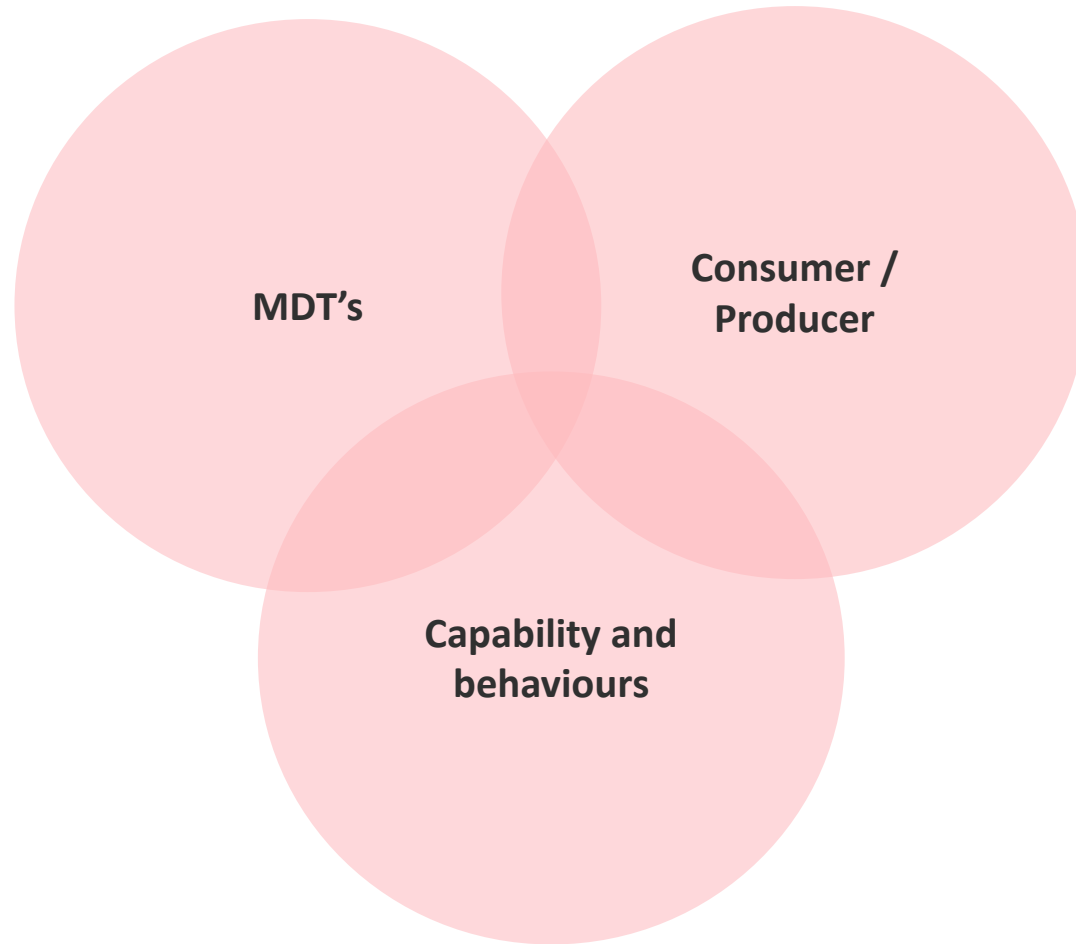

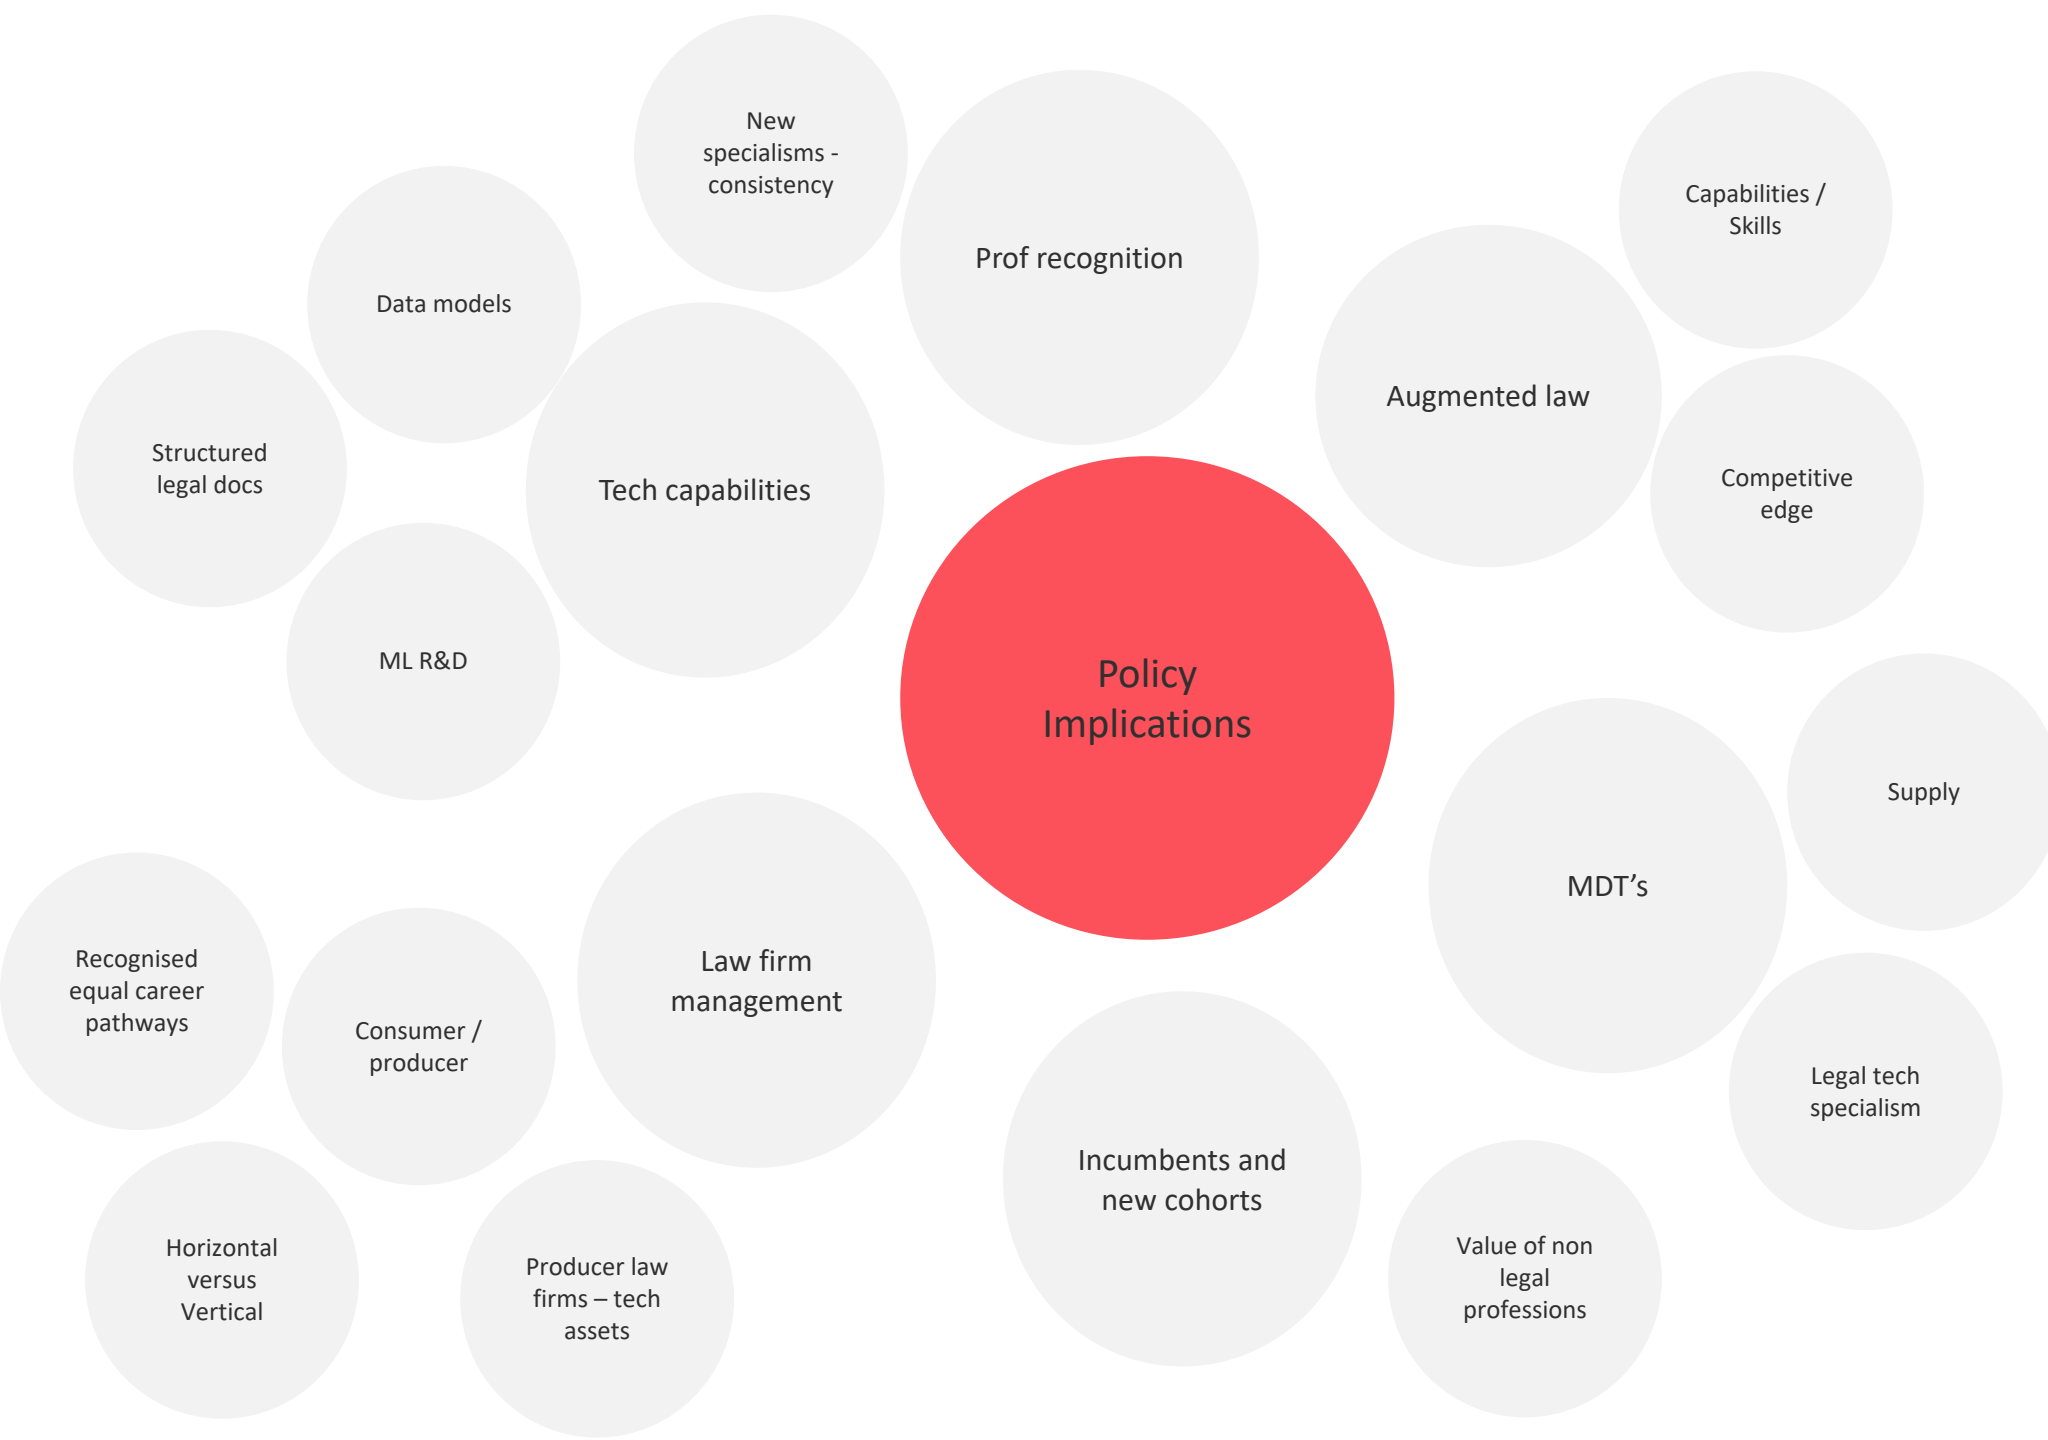

Investment in development

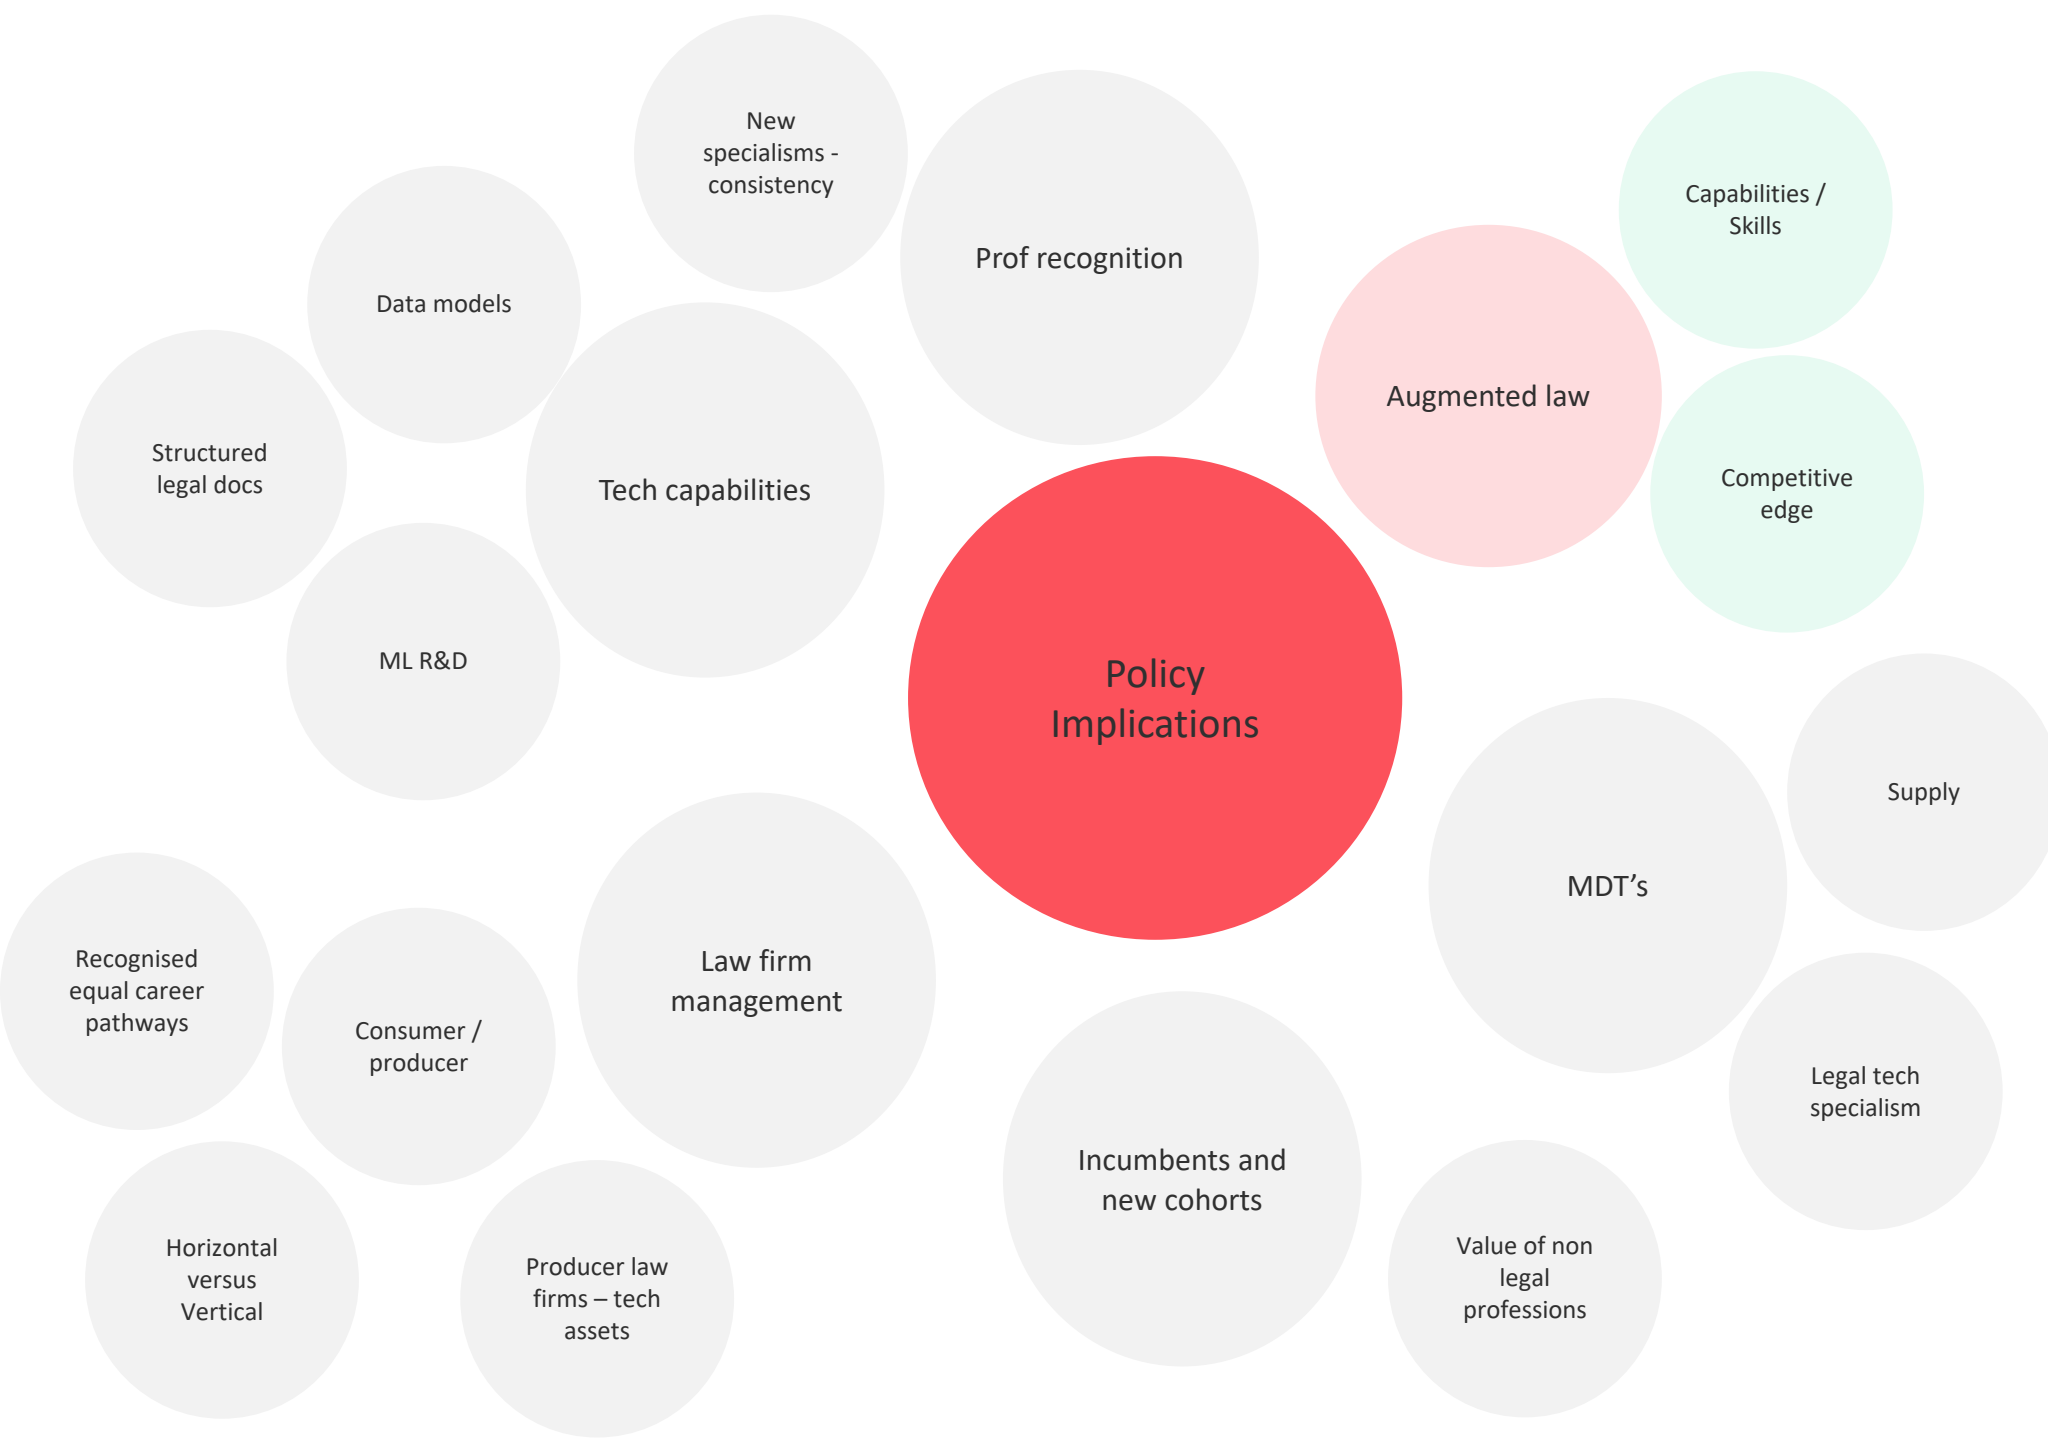

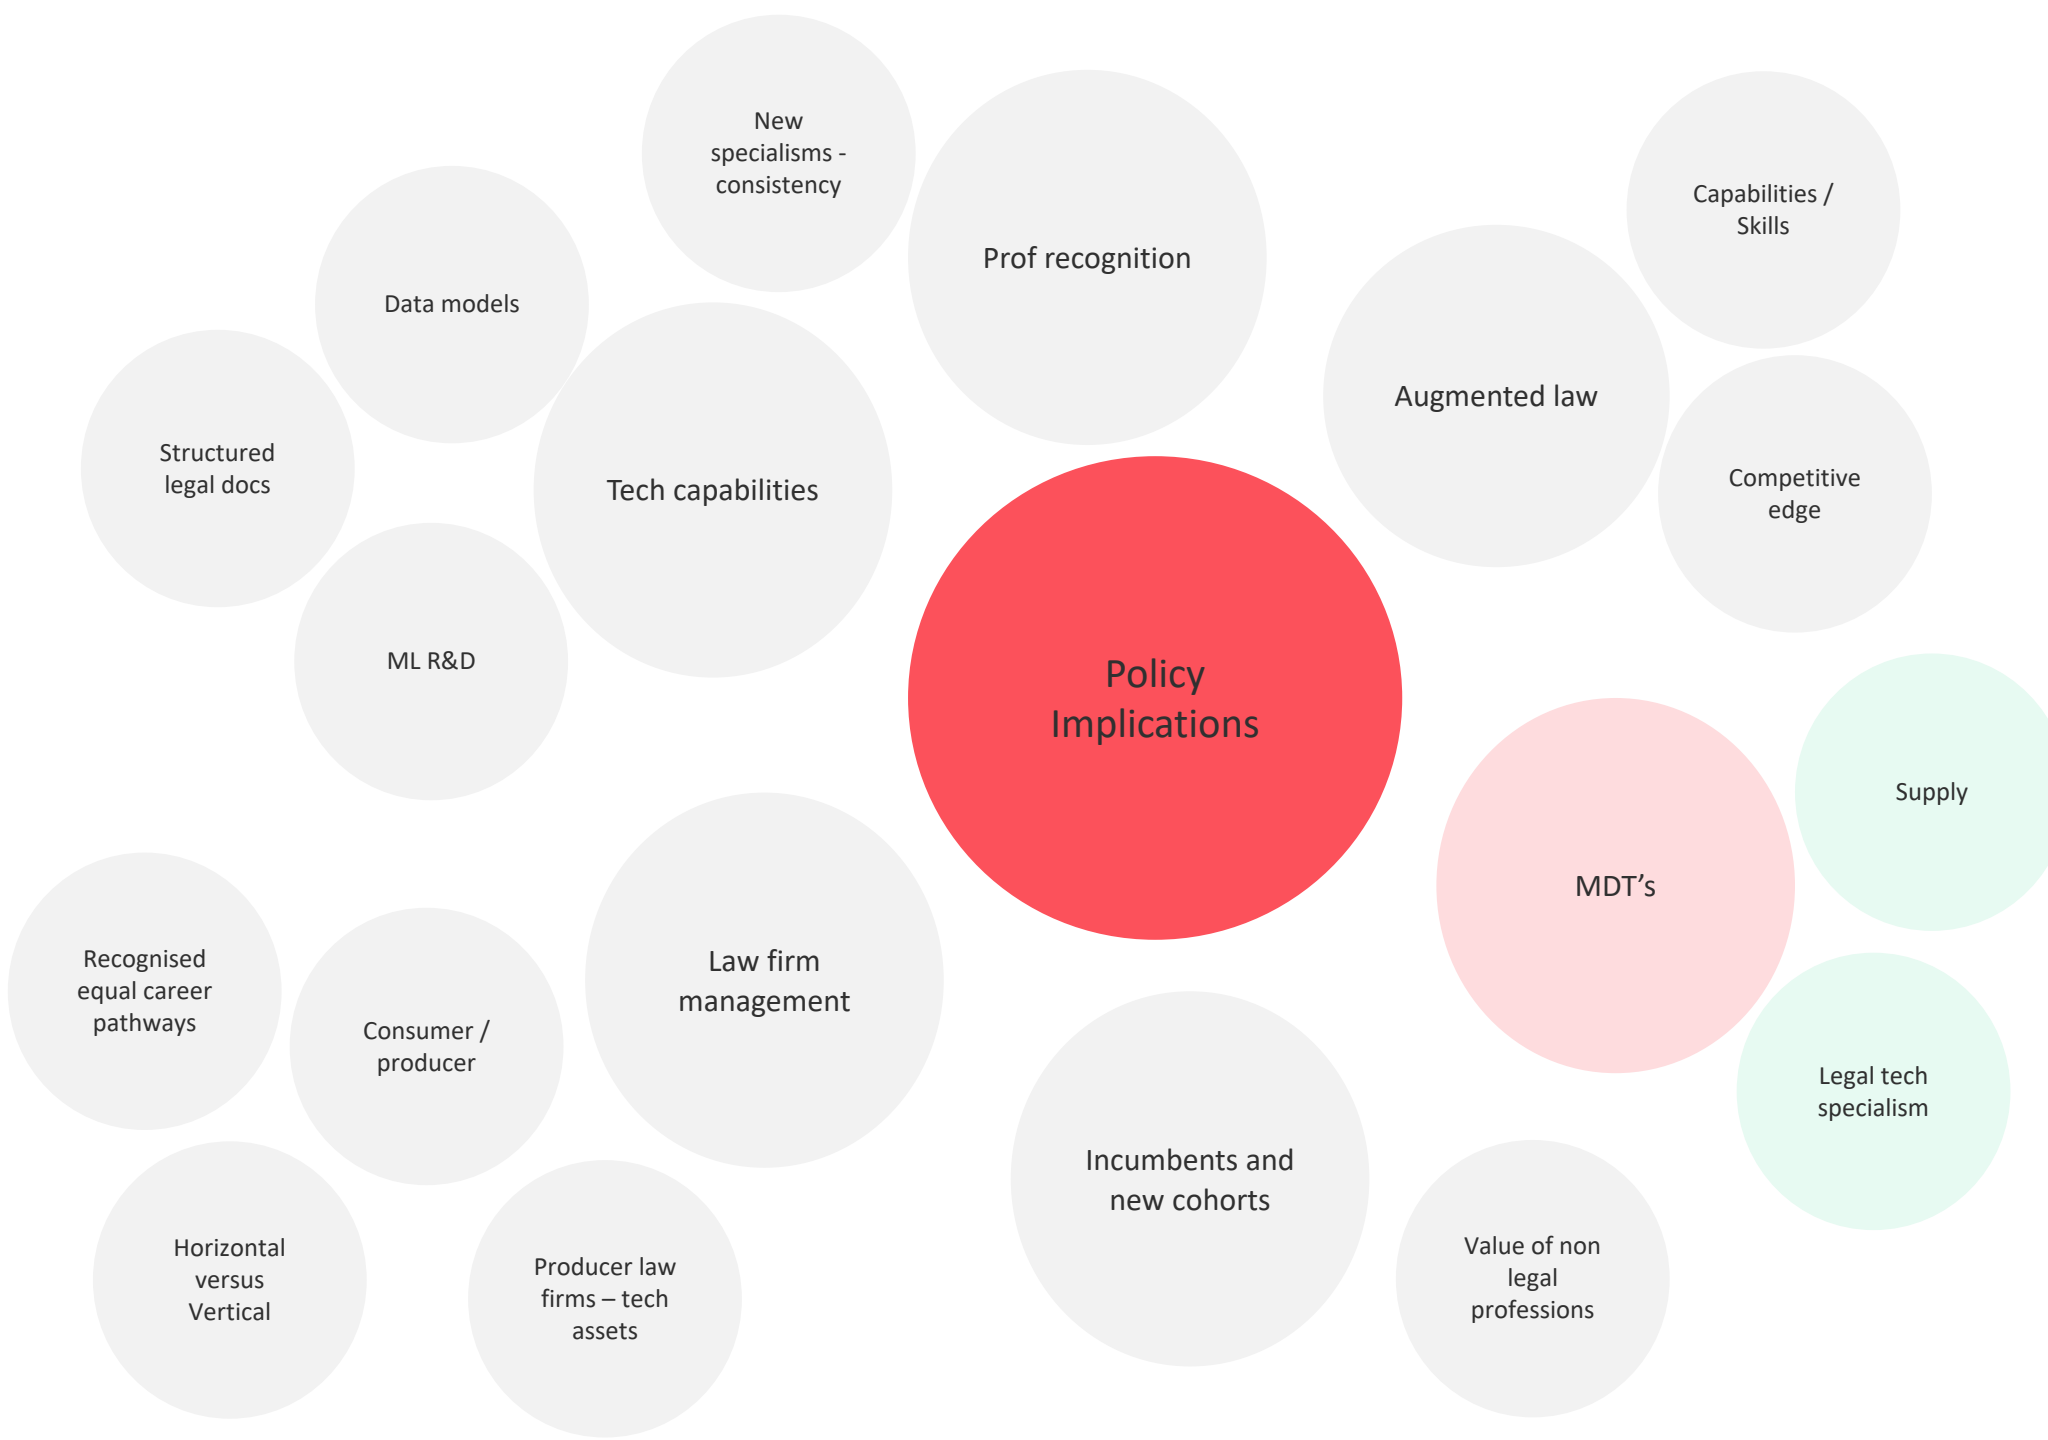

Investment in people

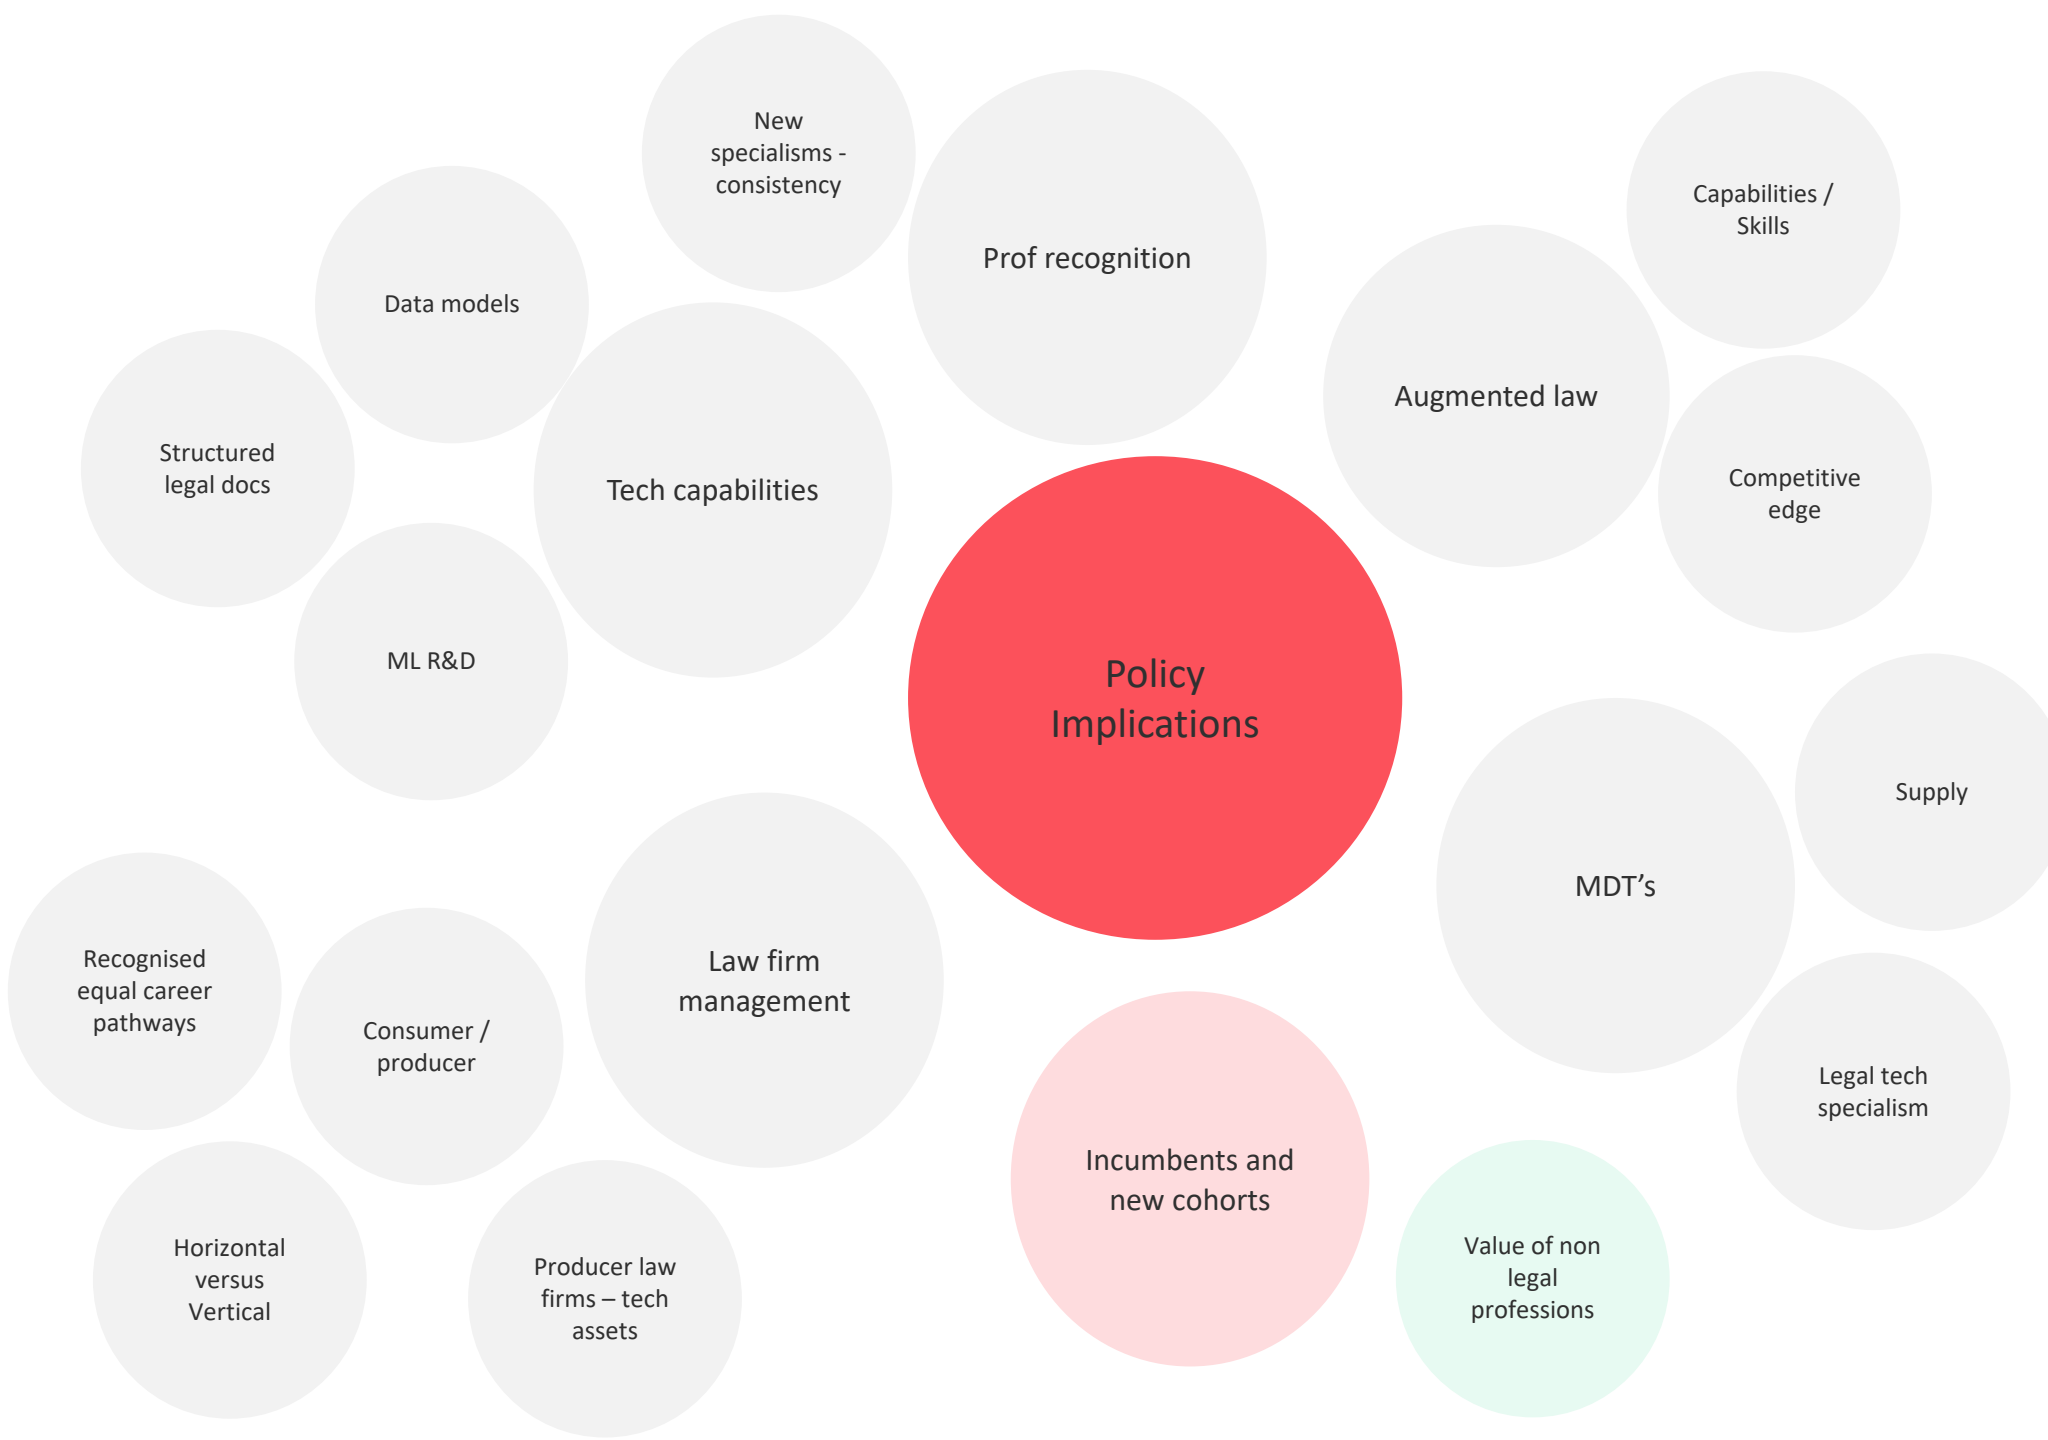

Impacts on law firms

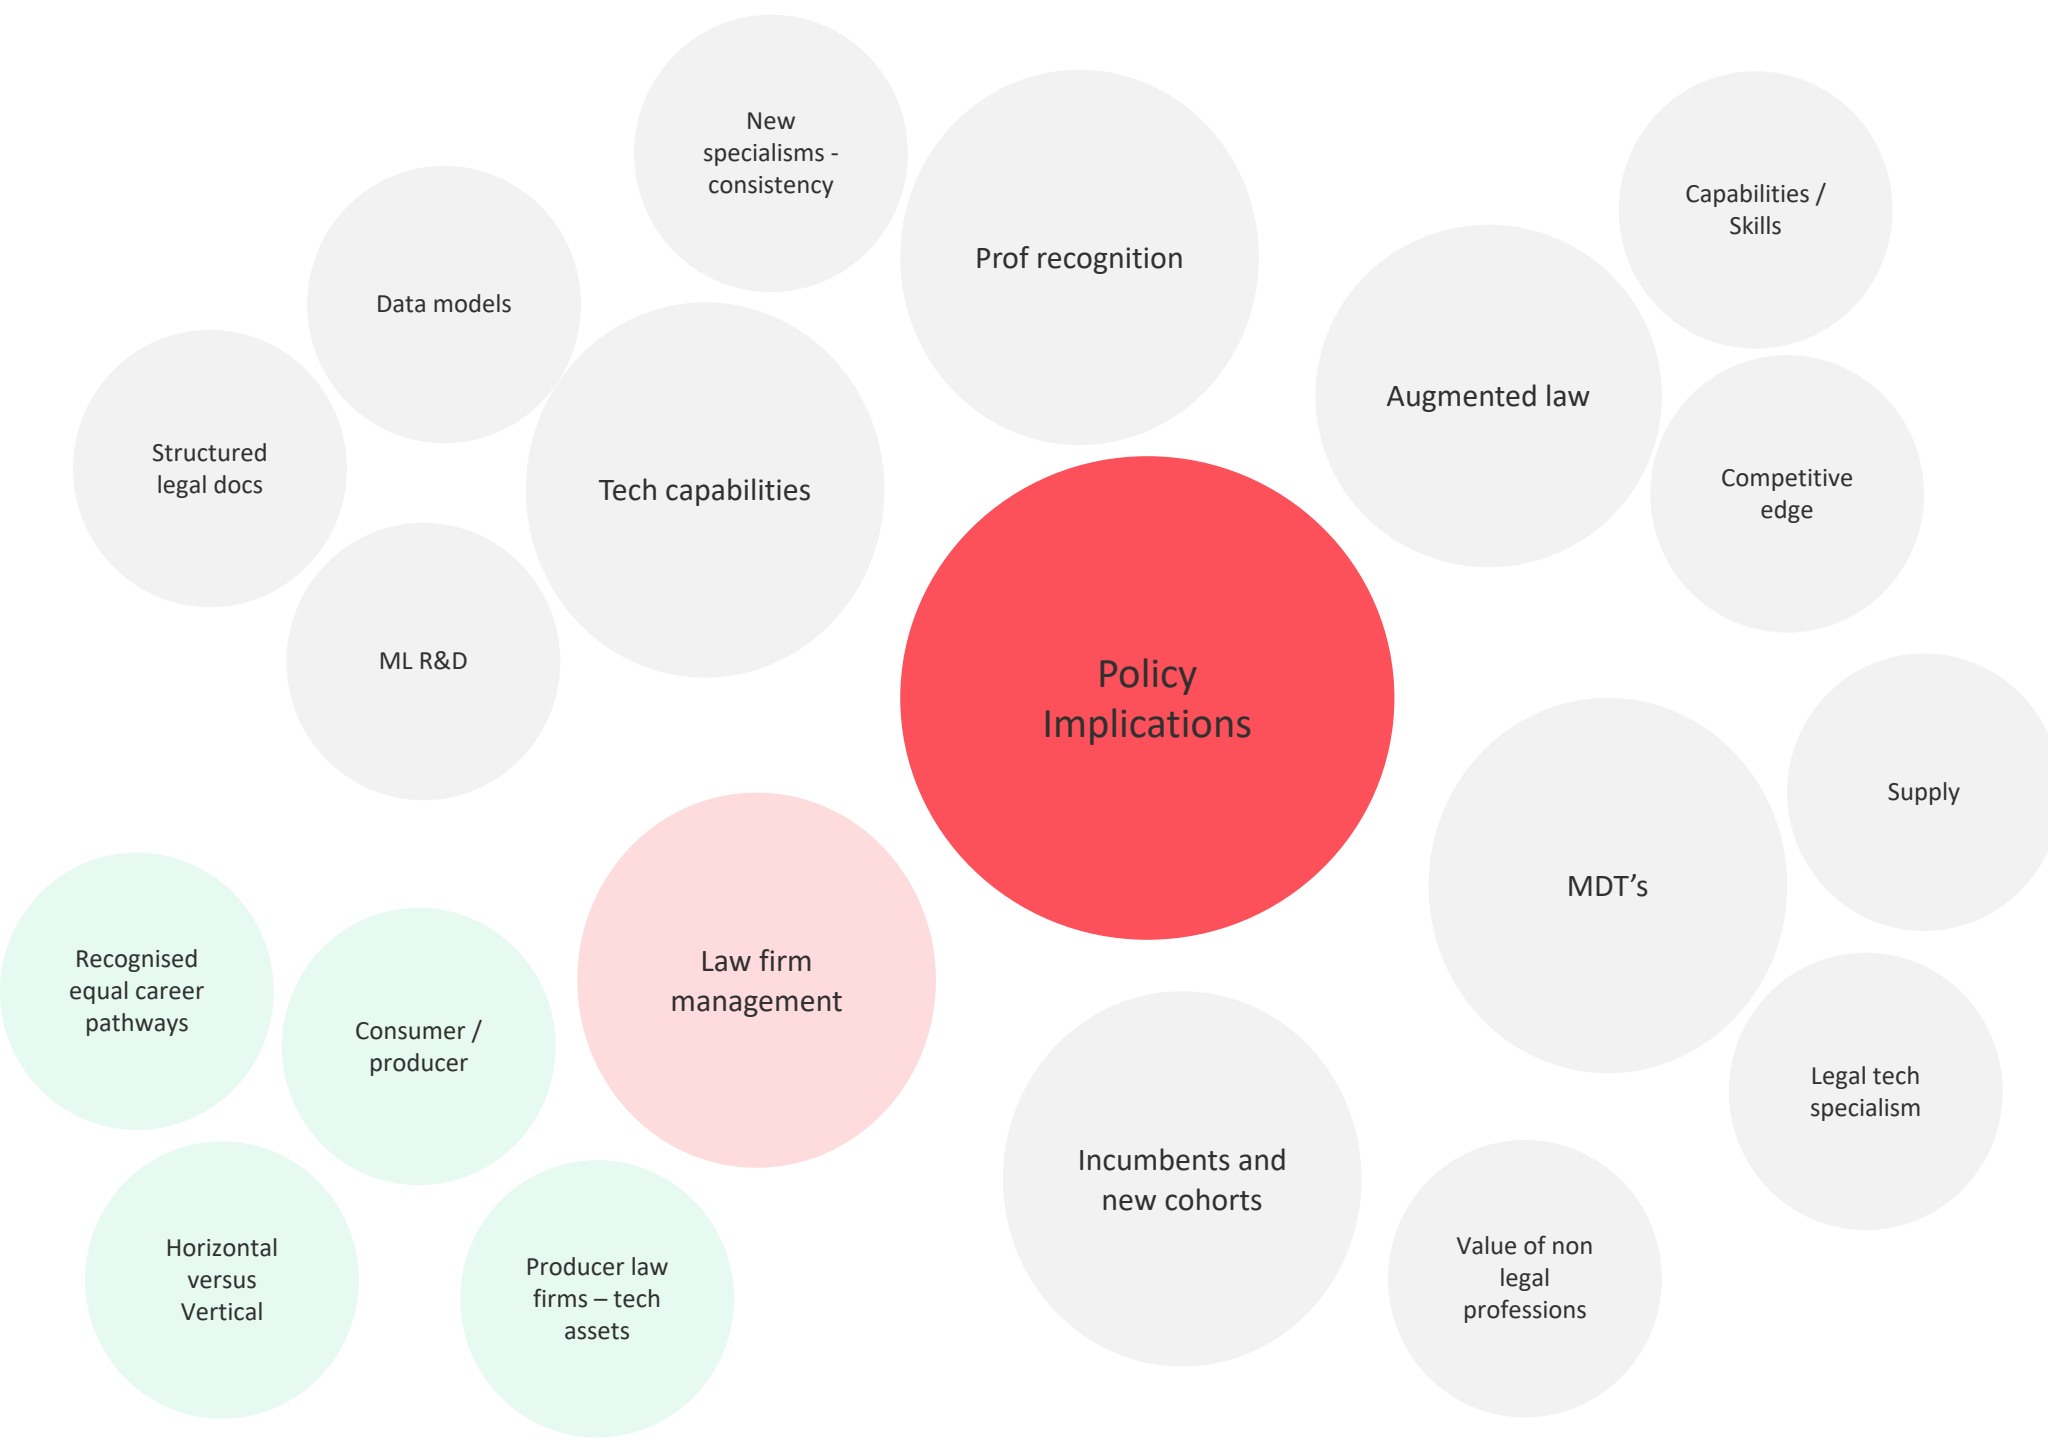

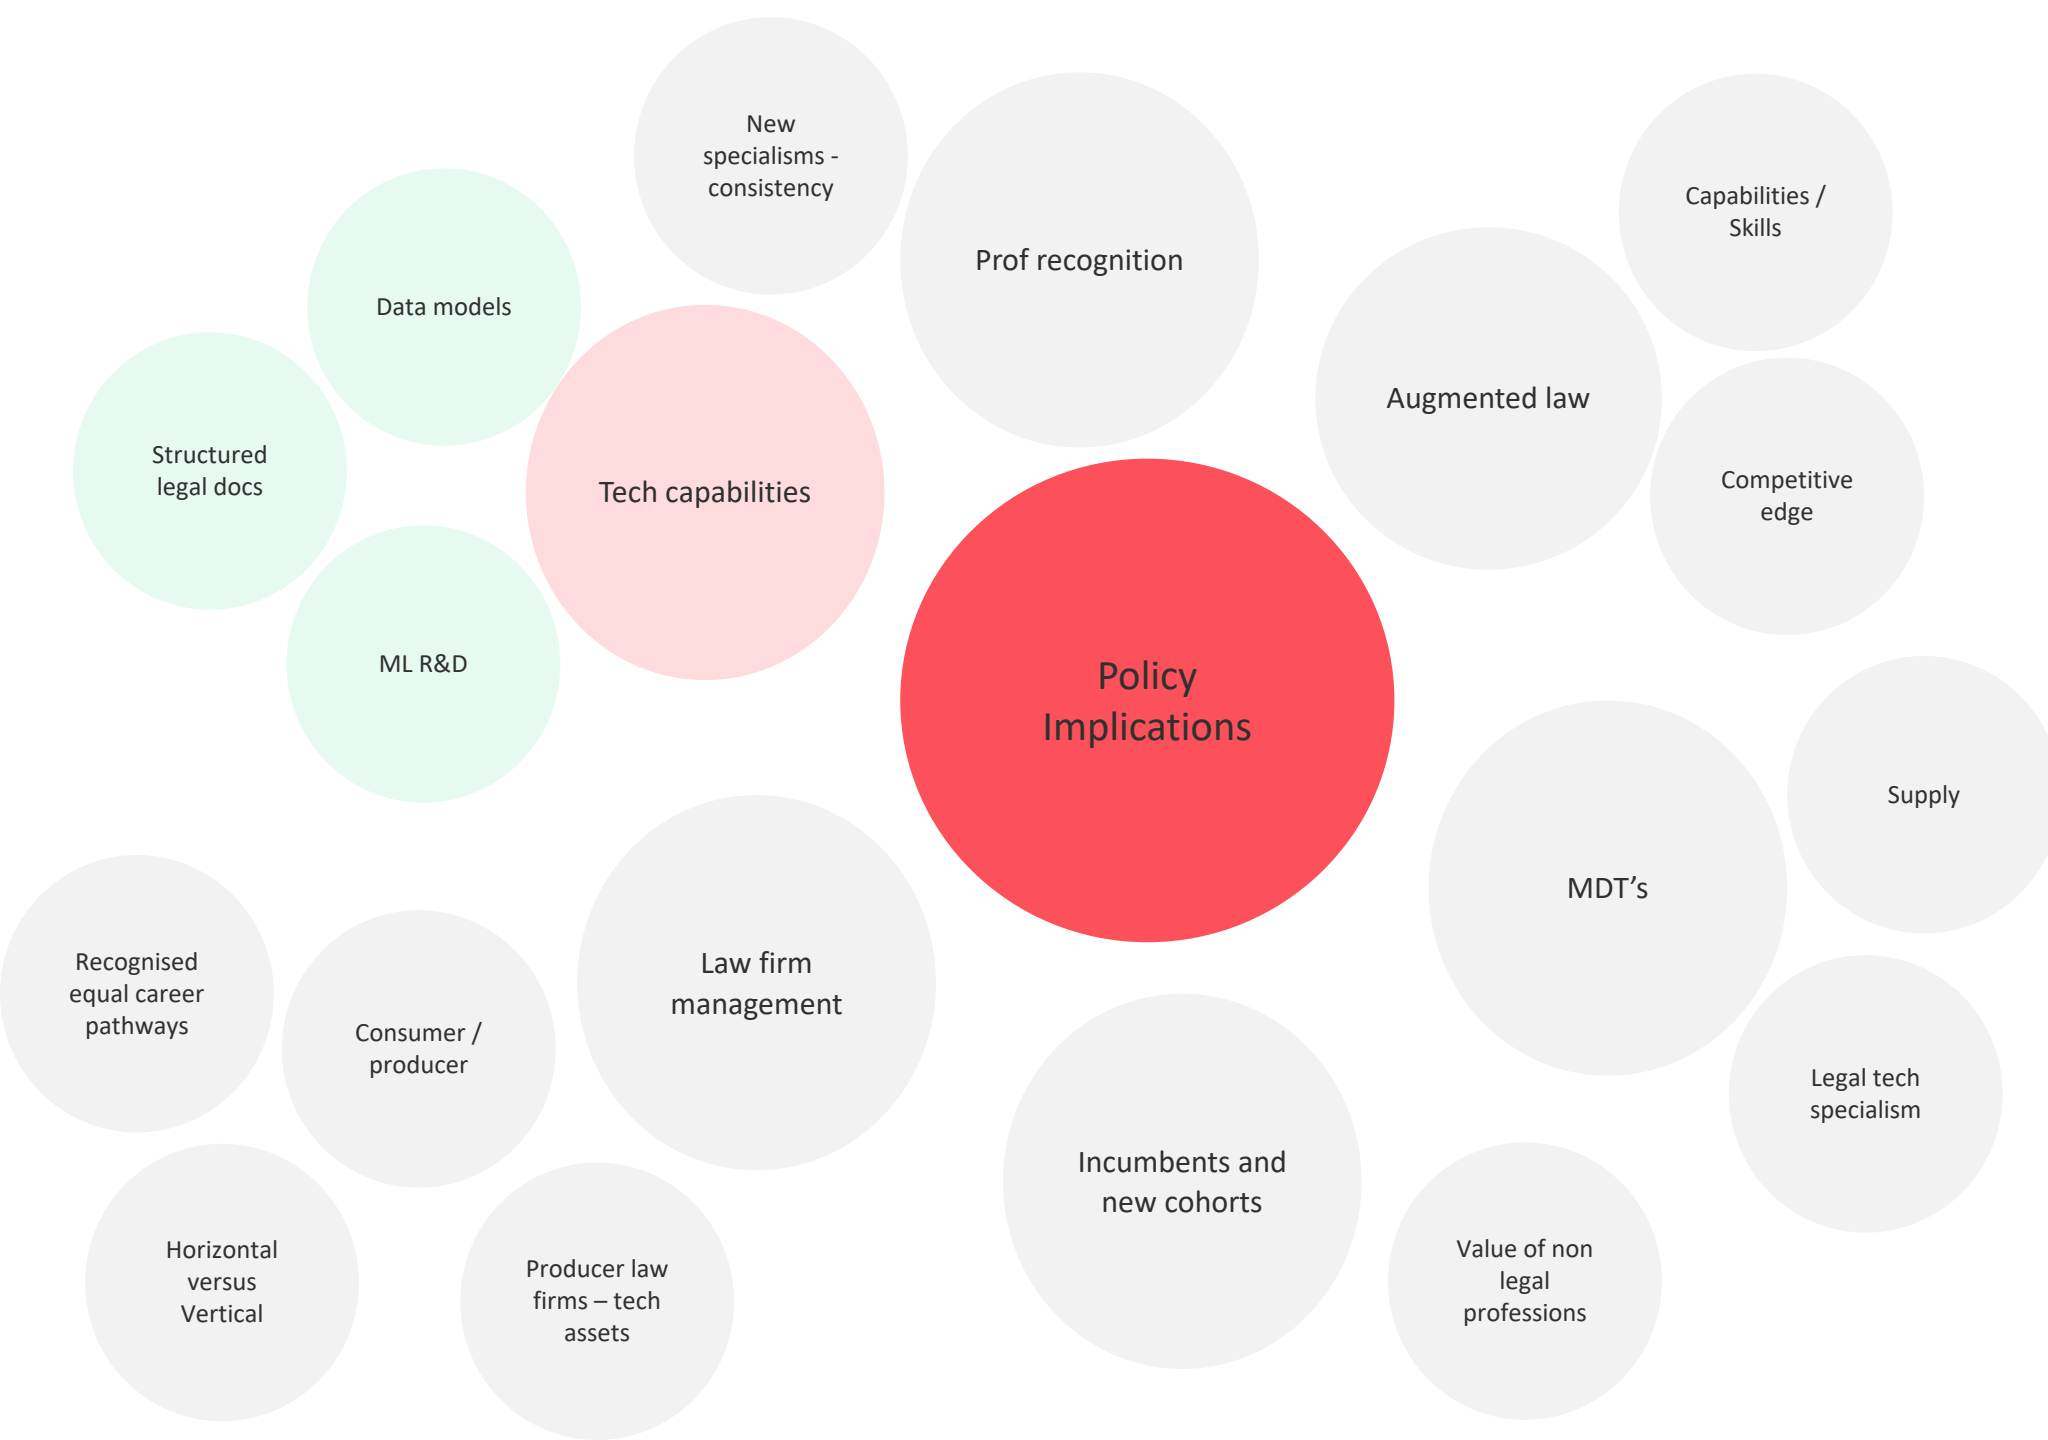

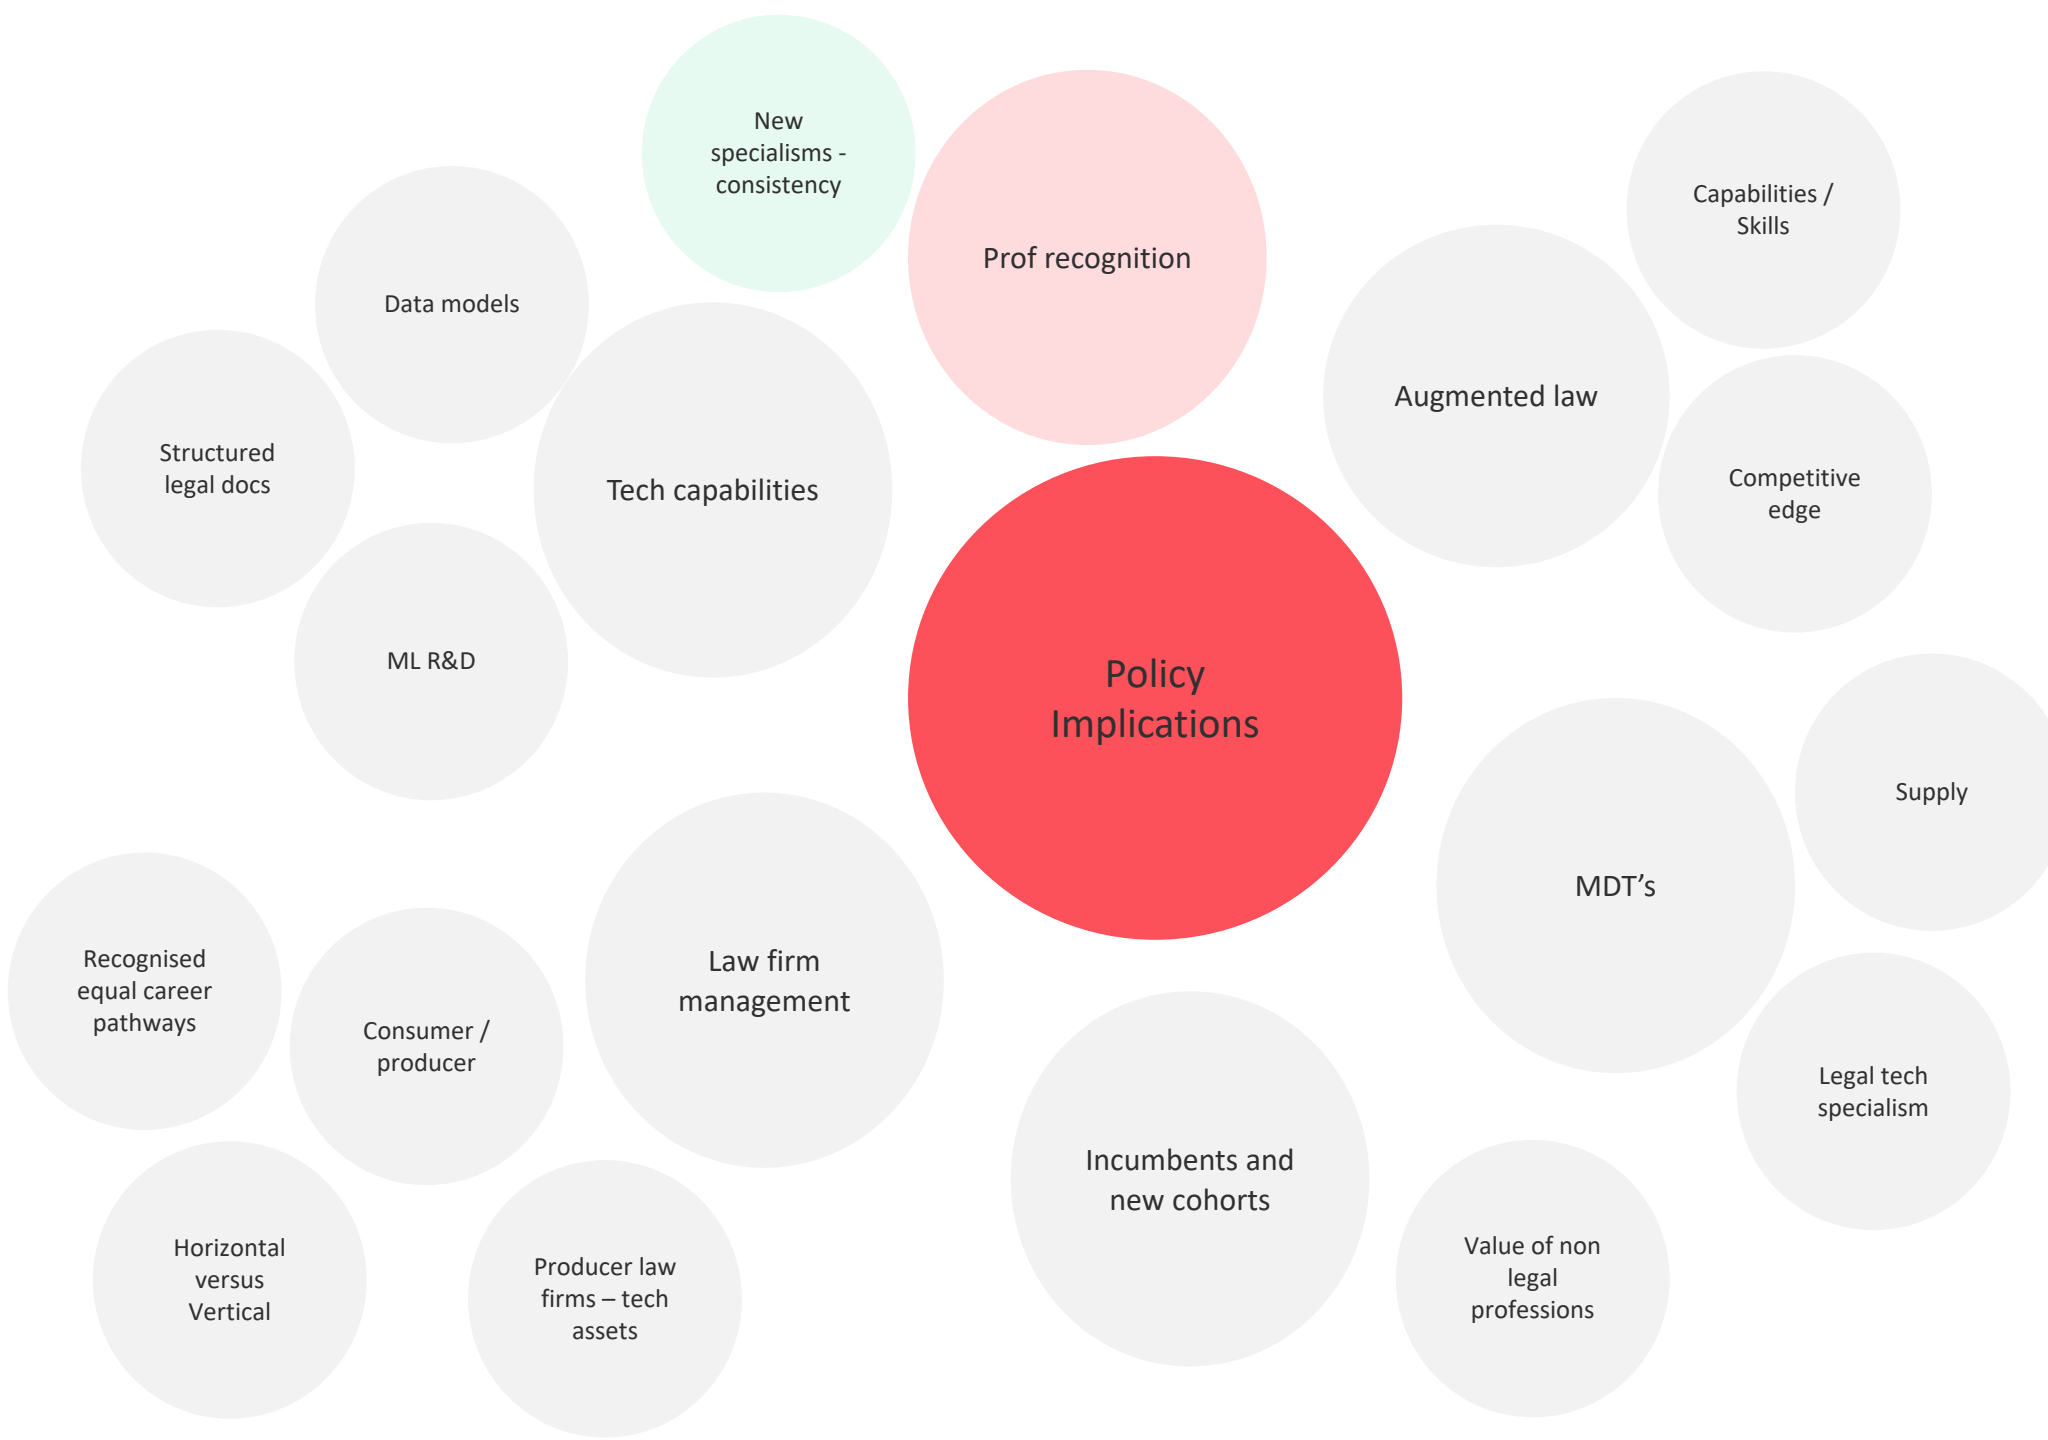

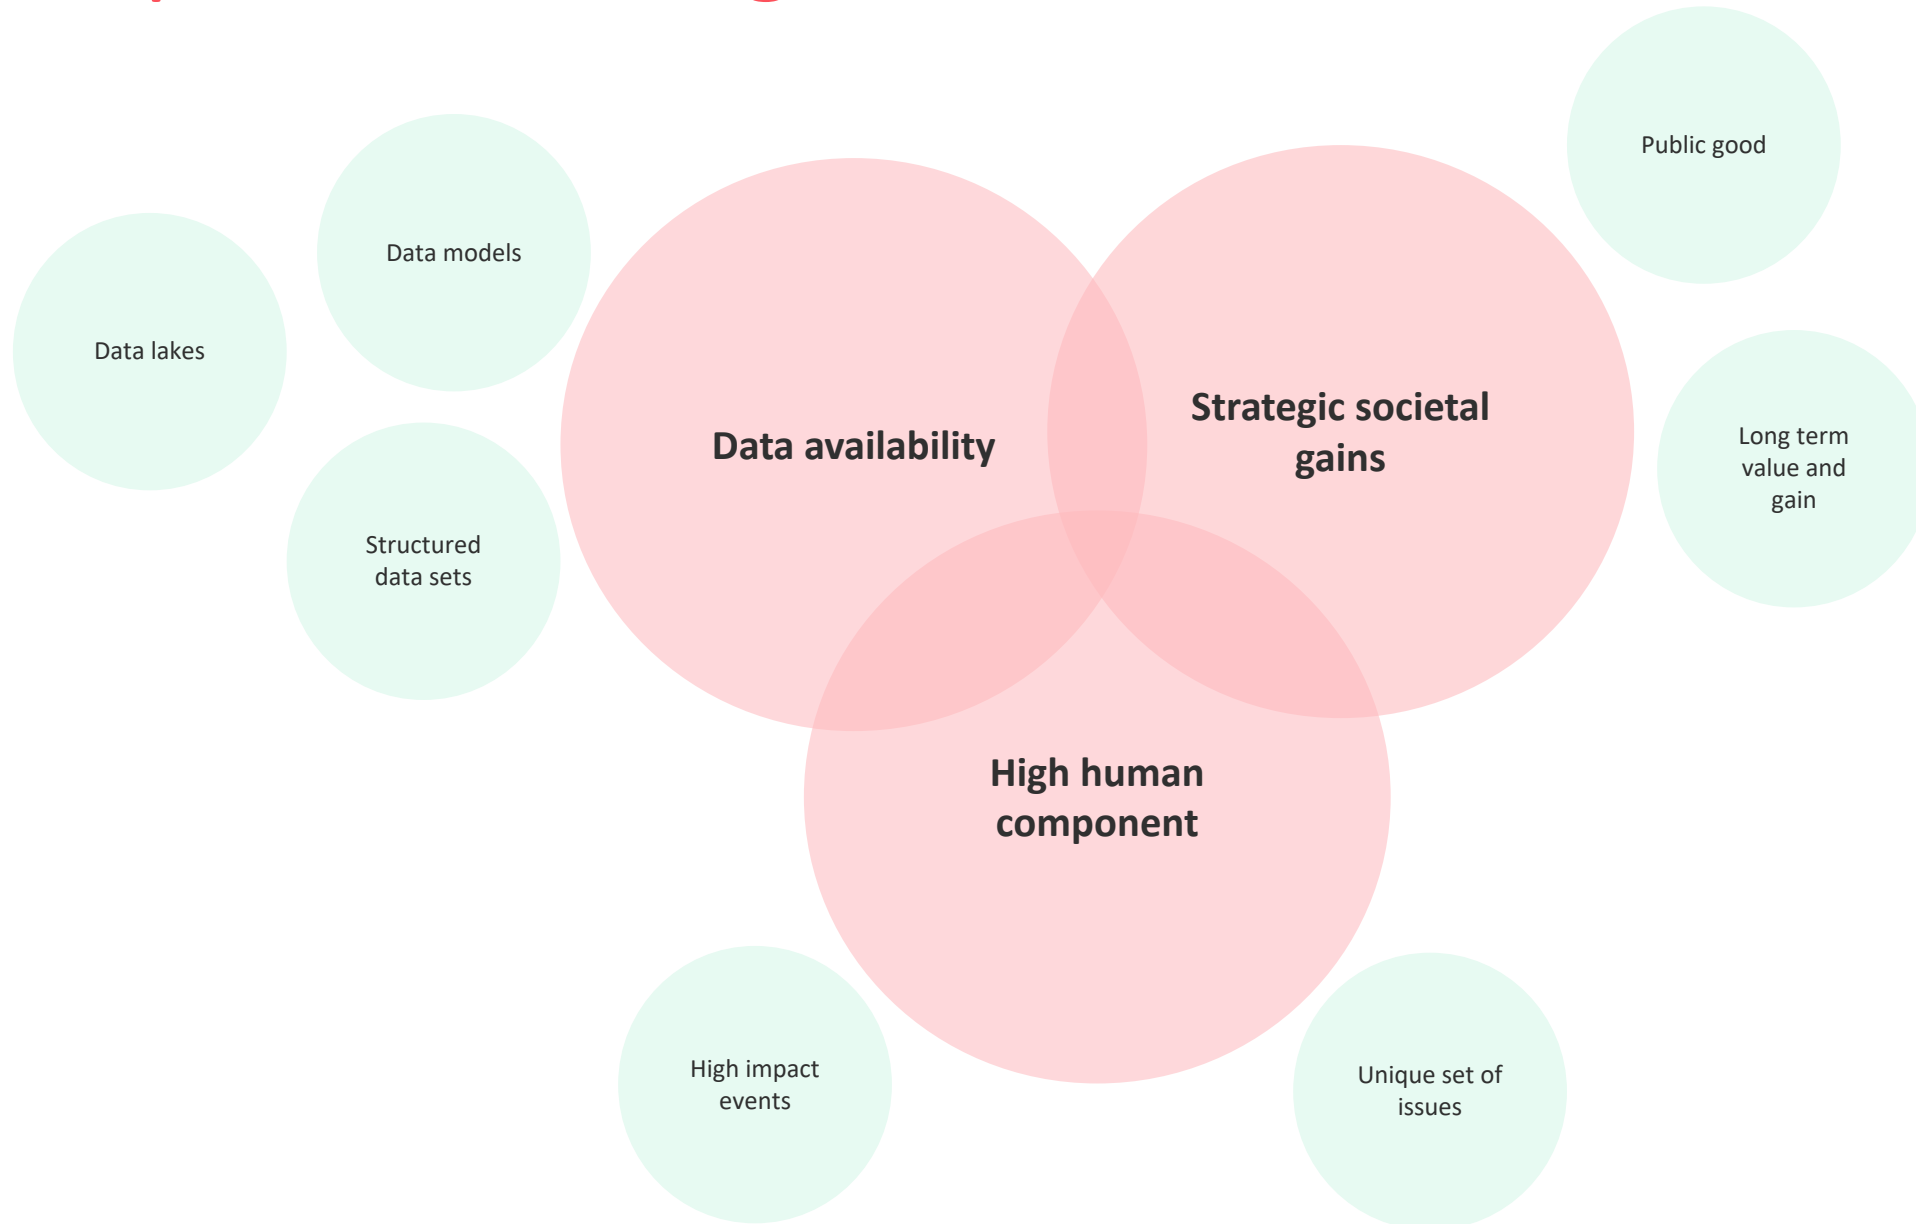

PeopleLaw and Big Law

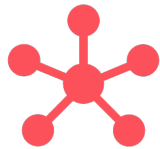

Macro strategy and policy themes

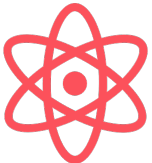

- Skills at the heart of firm based futures, sector based futures and UK plc competitiveness

- Nascent – emerging norms yet to solidify

- Sector wide curation needed in some spaces

- Further R&D on capabilities of AI in legal contexts to enable move from automation to true transformational change
